Transform your patio with the ultimate in outdoor living

STUNNING GLASS VERANDAS and glass patio rooms help you to make the most of your garden all year round. Elegant Glass Verandas offers a made-to-measure solution for enjoying outdoor living whatever the weather, adding a touch of alfresco luxury to your lifestyle.

Individually CAD designed, to suite your taste and your property beautifully, this fabulous new concept in home improvement brings the inside outside – it adds a new dimension to your home; a unique protected space transforming your patio into an outdoor room. Everyone looks forward to summer days spent relaxing and enjoying the garden, and with a glass veranda from Elegant you can always make the best of the British summer! Somewhere to relax, under permanent protection, plan barbecues without fear of rain

and host gatherings with added entertaining space.

Maintenance free, built with excellence, Elegant's exceptional glass structures are precision engineered in Germany, well made using high-grade, power-coated, extruded aluminium with parts of stainless steel – so that you can ensure the very best for your home.

Elegant takes pride their reputation for providing the finest quality products and excellent aftercare service, putting their customers first so that every installation is exactly right.

From planning through to completion they draw on many years of experience to ensure that every project is given the utmost care and attention to detail.
